

## Forward Sunapee Planning & Zoning Survey

The survey questions below only relate to:

- The proposed Waterfront District which encompasses the harbor area and follows main street along the Sugar River to Winn Hill and North Road.
- The proposal only applies to commercial, multi-use and multi-family projects. **Single family developments are outside its scope.**
- The proposed Waterfront District Design Advisory Sub-committee would be **advisory and educational only.**

Please check the answer that best describes your views on maintaining architectural consistency in the proposed Waterfront District.

1. Is it important to you to have a quintessential New England look and feel in the harbor and along the Sugar River commercial areas?

Yes \_\_\_\_\_

No \_\_\_\_\_

2. Do you support a Waterfront District Design Advisory sub-committee be established as part of the Planning Board site plan review process?

Yes \_\_\_\_\_

No \_\_\_\_\_
